I would never let you know the real person who will be the beneficiary of all my unmet wants and desires and needs. That's special and secret between me and him. Just like you and Pam. You and Kristie. You and Angie. You and Kelly . You and Tonia. You and the mystery woman on your phone. All of that is special and secret between you and them. Mmmm hmmm. I'm salivating. You've given me the ultimate gift. Freedom from you!
